Blood Donation Requirements for High School Students

Thank you for your interest in donating blood. By donating blood, you are giving life to someone in need.

So that we can provide the safest possible donation experience, selection criteria include a table based on height and weight to determine if students are eligible.

If you are	4'10"	4'11"	5' or taller
You must weigh at least	118	114	110

FEMALE donors must weigh 110 pounds or more, depending on their height in the following chart:
