Free Tutoring For Your Child!

January 18, 2011,

Dear Parent / Guardian,

Help your child succeed in school-sign up for free tutoring!

Because of the *No Child Left Behind* funding, your child can receive extra help in reading and mathematics. You can receive this free tutoring because your child's school is in its second year or later of *School Improvement*, and your family meets the income limits under the law.

School Improvement means your school did not meet Ohio's goals in reading, mathematics, attendance or graduation for two years in a row or more. Your child's school has been identified for improvement because it has not made Adequate Yearly Progress on Ohio's

Achievement Assessment for at least three years in a row. The enclosed district report card shows how your child's school compares to other schools in our district and state.

Your child's school has been identified as needing improvement because of the scores in seventh, eighth and tenth grade mathematics made by the students with disabilities group. Your school will address this area by offering professional development, establishing teacher based teams(TBT's) and including extended time during the day in mathematics.

You can choose a free tutoring program that is best for your child. The district will provide assistance in selecting an approved provider, if requested. A list of approved tutoring programs that wish to offer free tutoring to your child is enclosed, and can also be viewed at: http://webapp1.ode.state.oh.us/provider_proposal/lookup/. These programs have been approved by the Ohio Department of Education and will provide your child with tutoring that is coordinated with what is being taught in your child's school. The availability of this free tutoring may be limited.

Please call Jeff Reuter at 740-289-4347 if you have any questions about these services. If you would like to select a tutor now, you can fill out the enclosed provider selection form and mail it back to Jeff Reuter at 1414 Piketon Road, Piketon Ohio, 45661, in the stamped envelope provided. Applications are due by February 4, 2011. You will receive a letter from Scioto Local School District by January 28, 2011, telling you when the free tutoring will start.

Finally, if you do not wish to sign up for these services, you may also choose to transfer your child to another school NOT in School Improvement. See the enclosed Public School Choice letter.
