Parent Notification Letter
School Improvement (SI)/Public School Choice (PSC)**

November 22, 2010

Dear Parent or Guardian:

This letter is to inform you that Piketon Jr. / Sr. High School, has been identified as in need of improvement by the Ohio Department of Education. One or more of the AYP subgroups, as specified by the Ohio Department of Education, attending Piketon Jr. / Sr. High School did not meet the AYP national goals in Reading and Mathematics, as assessed on the Ohio Achievement Assessment, for two consecutive years.

Given that our district only has a single school for each grade level, your child may attend a similar school district that is NOT in need of improvement and our district will pay for transportation to the extent practicable. Please contact me, if you are interested in this option. Additionally, you may request free afterschool tutoring on a limited basis in place of transferring your child to another school district.

Our local report card is an indicator of how well Scioto Valley Local schools did when compared with other schools in Ohio. The Report Card can be viewed at the following Internet location: <http://www.ode.state.oh.us/reportcard> .

We have developed a plan of action to address the improvement for our students in the academic area of Reading and Mathematics. This plan includes extended time in the areas of Math and Reading during the school day. Please contact Jeff Reuter, Principal of Piketon Jr. / Sr. High School at 740-289-2254, if you are interested in becoming involved in the school or would like more information on ways you can help. Our district website, www.piketon.k12.oh.us has more information for parents about our school.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeffrey P. Reuter".

Jeffrey P. Reuter, Principal
